Mr. Velasco
Hiring Manager
Agricultural Engineering Position
XYZ Company
Nice

Dear Mr. Velasco

I am applying for the Agricultural Engineer position now available with XYZ Company as this position is a perfect fit for my academic qualification.

I hold a bachelor's degree and Master degree in Agricultural Engineering and Irrigation Engineering, respectively from ABC University.

I am an Agricultural Engineer with at least five years' experience creating, organizing, and implementing optimized engineering systems for agricultural use and forward practice. In addition Most of my job experience includes the design of agricultural machinery and equipment using computer technology, engineering design and manufacturing of crop storage, supervision of food processing and plant operations and report preparation with analytical graphs after a research work on the field.

Please review my attached resume for additional details regarding my expertise and career achievements. I am enthused by this opportunity available in your reputable company and will be happy to meet you in person to further discuss my qualification and experience for this job.

Thank you for your time and consideration. I look forward to hearing from you soon.

Sincerely,

Alphonso Robinson
