Hiring Manager
Pharmacist
ABC pharmacy
London

Dear Mr. Brown

I am writing to express my sincere interest in the pharmacist position posted on your company website and noticed that your requirements match my work history perfectly. I have over 2 years of experience as a competent, diligent, and reliable pharmacist.

I have been working for XYZ Pharmacy where I have been responsible for the day-to-day tasks necessary to ensure the exact and timely delivery of medications and giving advice and also supplying prescription medicines to customers and ensuring the correct and safe supply of medical services to the public. I am familiar with a pharmacy environment, and have extensive knowledge of basic drug terminology, pharmaceutical calculations, drug use and aseptic techniques.

Other than the above, I am also an expert at improving inefficiencies, reducing costs and producing accurate, detail oriented, and reliable paperwork. I believe I am the candidate who has the skill sets and experience you're looking for.

I've enclosed my resume, which further explains my past positions. I'm excited about pharmacy and I'd welcome the opportunity to demonstrate these qualities in person. I appreciate your time taken to review my credentials and experience.

Thank you for your time and consideration. I look forward to hearing from you soon.

Sincerely,

Andrea Anabel
